Re: KMCC-TV

Bkt No. :MM-99-114

KMCC-TV has indicated an interest in moving their transmitter from Crossman Mountain in Lake Havasu City, Arizona to Laughlin, Nevada. We hereby protest the move on the basis that there is an available site on Crossman, of which I am the owner.

Lake Havasu City does not have a local TV station and if KMCC can serve Lake Havasu City from Laughlin, they can certainly serve Laughlin from Lake Havasu City. Our transmitter site is a recognized communication facility and fully adequate to handle the proposed facility.

Very Sincerely,

Rick L. Murphy
